Learning Activities

- Shorthand messages nowadays means keeping up with the pace of our time. Everything has to be fast, fast, fast! So, it comes as no surprise to receive a message with a bunch of letters called **initialism**. An initialism is a word made from the first letters of several words. Unlike acronyms, initialisms cannot be spoken as words. They are pronounced letter by letter. Listed below are some common initialisms used in the Internet and SMS (Short Message Service) in mobile phones. Write the meaning for each:

1. AFK –	13. HAND –
2. AKA –	14. HHVF –
3. ASAP –	15. HOAS –
4. BTDT –	16. IDGI –
5. BRB –	17. IDK –
6. CWOT –	18. IOW –
7. DBEYR –	19. KIT –
8. DIY –	20. LOL –
9. F2F –	21. TGIF –
10. FOCL –	22. W2F –
11. FYI –	23. WDMB –
12. GMTA –	24. WTG –
