

EXERCISE 1

Write questions for the answers.

1. _____

Thor Heyerdahl was born in Larvik in Norway.

2. _____

Heyerdahl liked to collect rocks, shells, plants and insects for his own personal museum when he was young.

3. _____

Heyerdahl married Liv.

4. _____

Heyerdahl was 22 years old when he got married.

5. _____

Fatu Hiva was the name of the place that Heyerdahl wrote about.

6. _____

The raft Kon-Tiki was made of balsa wood and grass.

7. _____

The Kon-Tiki crossed the Pacific Ocean.

8. _____

Yes, the boat Ra did cross the Pacific Ocean.

9. _____

Heyerdahl sailed the boat Tigris because he wanted to prove that people could travel from Iraq down the Persian Gulf to Africa.

10. _____

Heyerdahl died in 2002.

EXERCISE 2

Label the names of the rafts: Kon-Tiki, Ra, Tigris

Learning Activities

Draw and design your own ocean-going raft using local material only. List what you would take on your journey of discovery.
